"Old times we cannot keep. Time does not become sacred to us until we have lived it, until it has passed over us and taken with it a part of ourselves."

John Burroughlis

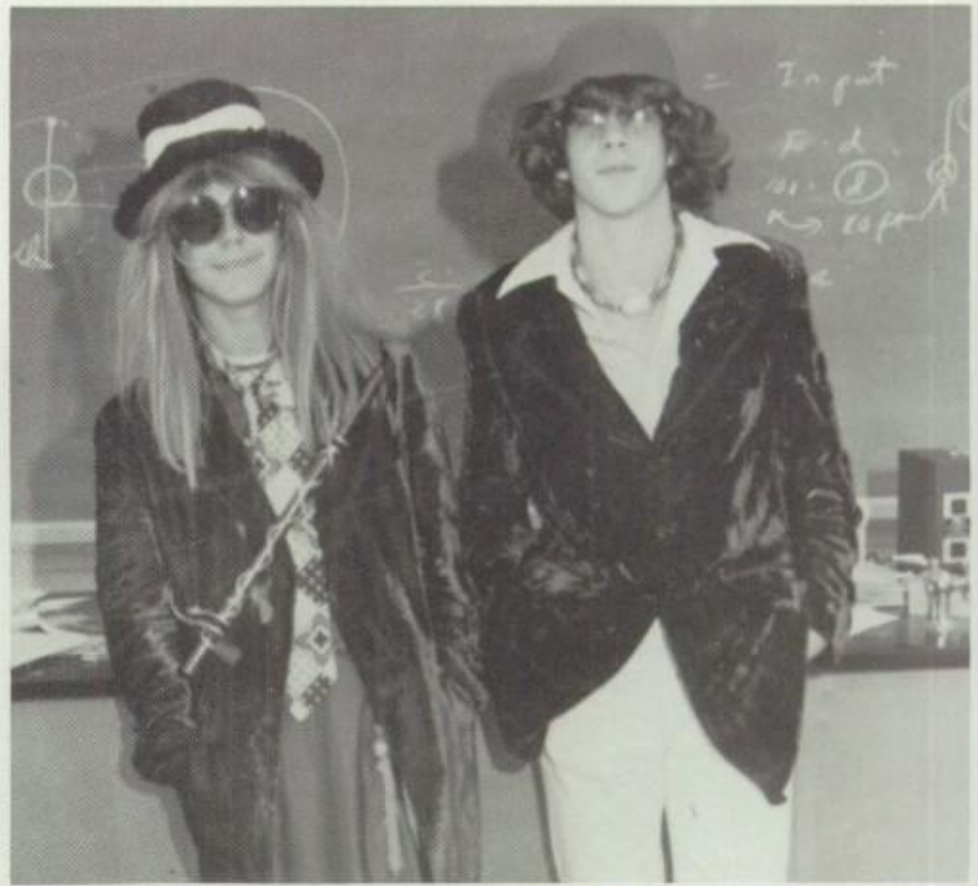

ACTIVITIES

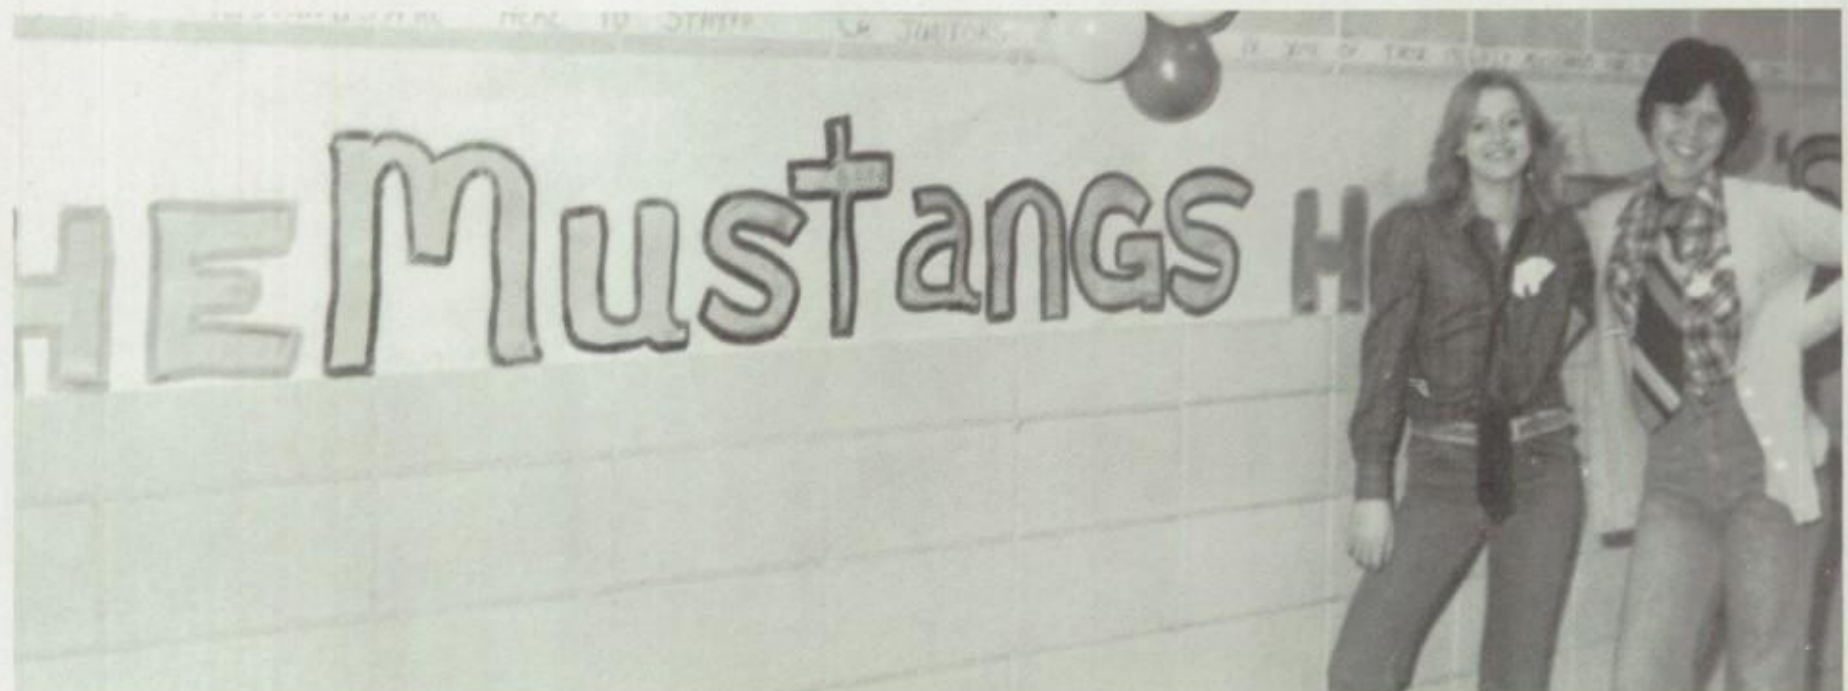

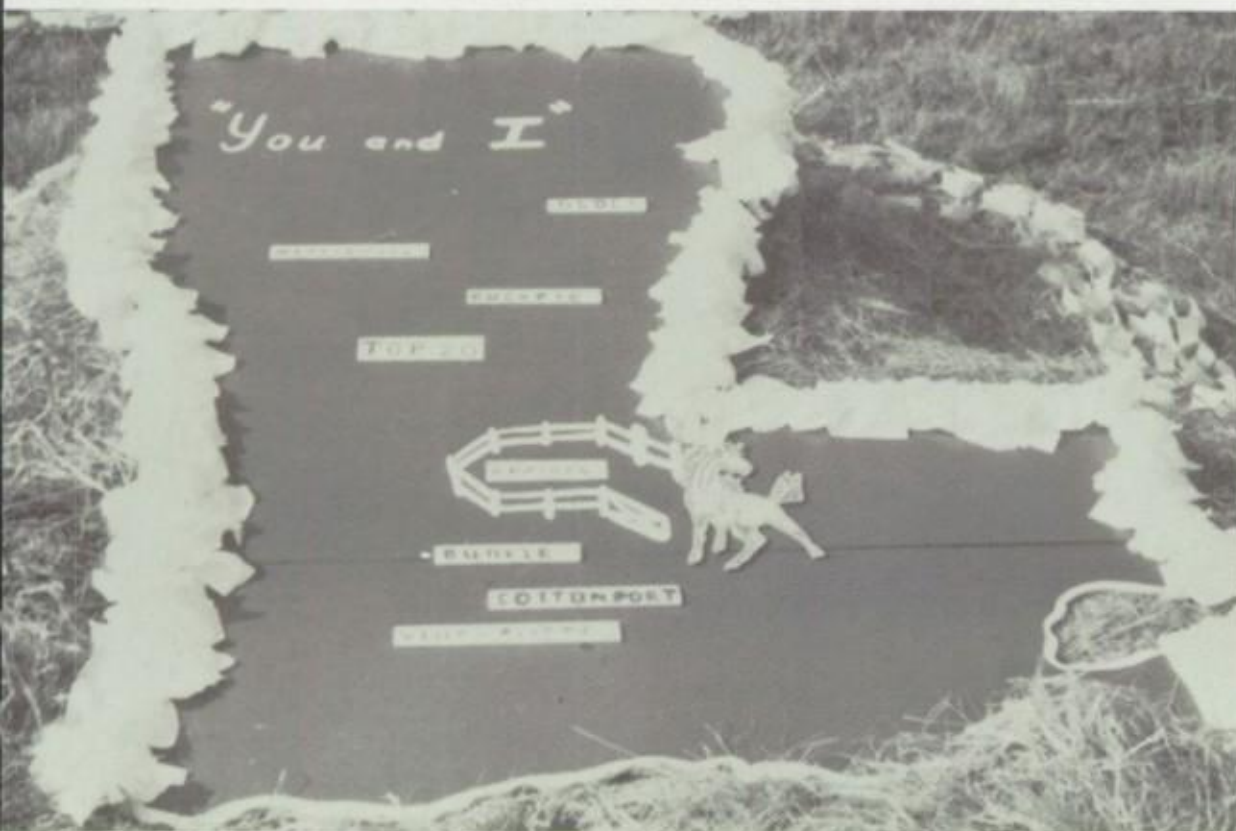

Each year a special tradition takes place. A tradition that brings about unity between the students through laughter. Funny costumes, wild ideas, and many other imaginations combine to make spirit week a very special occasion.

Top right: Two wild and crazy guys! Right center: The Sophomores are on the loose! Bottom: Tammy and Helen display that junior spirit.

M*A*S*H

In a place where life and death are daily occurrences a slight insanity is not an unknown characteristic. The 4077th Mobile Army Surgical Hospital is a perfect example of such a condition. This life and death timing and the feeling of a slight amount of insanity were closely knit into each Senior in the cast of MASH. Each member of the cast felt a great deal of regret that the crazy and nerve-racking work that went into MASH would never be felt again.

Radar (Kenneth McMullen) carefully listens for helicopters as the Swampmen play cards.

General Hammond (Harvey Patterson) saying his immortal line to Col. Blake (Tommy Bell): "Not Goldfinger *#@/*€ Goldfarb!"

Hawkeye Pierce (Mike Cox) and Duke Forrest (Brad Bembenick), sing a duet at the MASH party.

Col. Blake gets no respect from the Swampmen.

Ho Jon (Victor Stockman) informs the breathless Koreans that "In America when you are hungry you eat a French Fry or an over-heated dog."

Major Houlihan (Michelle Bennett) informs the nurses she will give the General her petition personally.

The Bonwitt girls are just helpless without a big strong man around.

For Walt Waldowski (Bryan Peninger) "Life Stinks".

Mike Soulters as Boone and Jamie Andries as Clinger. They could have danced all night.

Without the patient help of Mrs. Lamkin (not pictured) and Miss Lipscomb (above) the play would never have been.

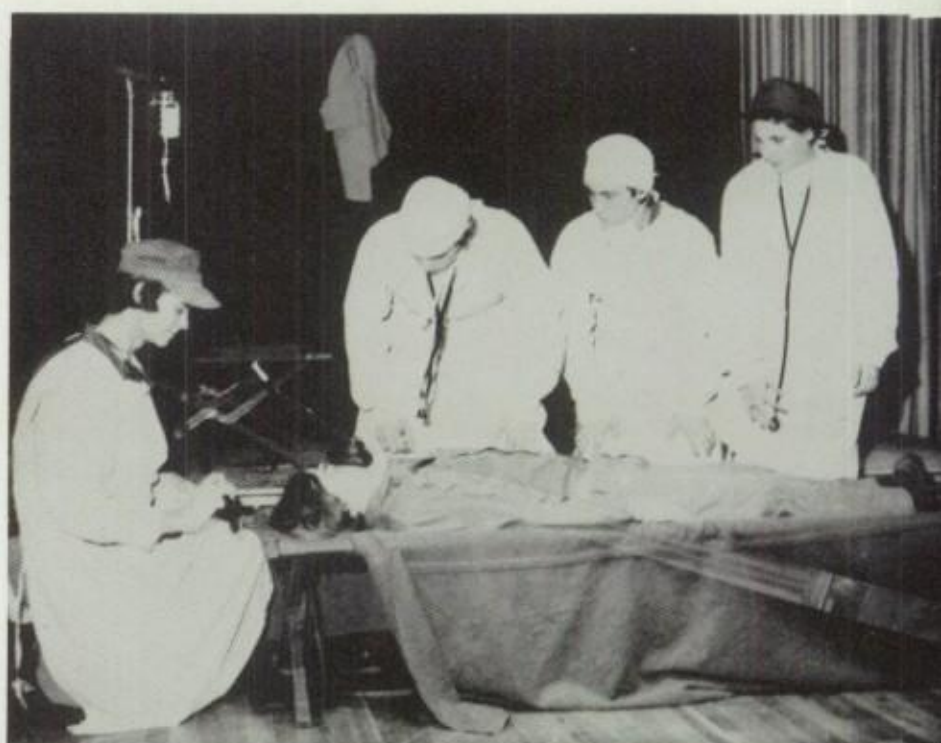

Where's that commendation for Captains Pierce and Forrest?

This is a party?

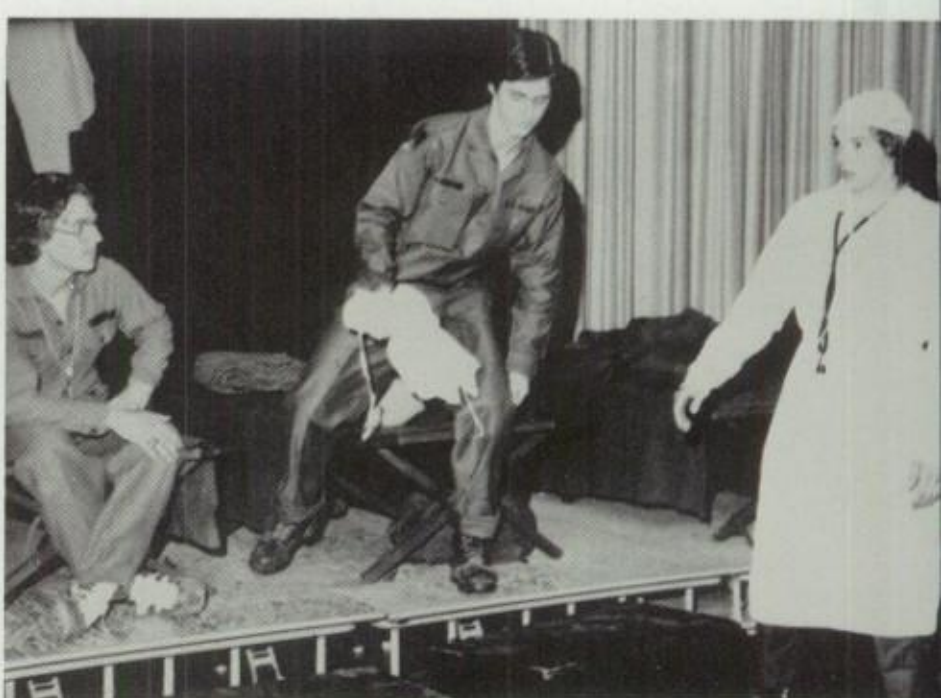

"This will be my greatest creation!"

"Hang in there, Ho Jon."

"What's happened to my face?"

Duke informs Hawkeye that Ho Jon has been drafted.

From the looks on their faces it must be a strange sight.

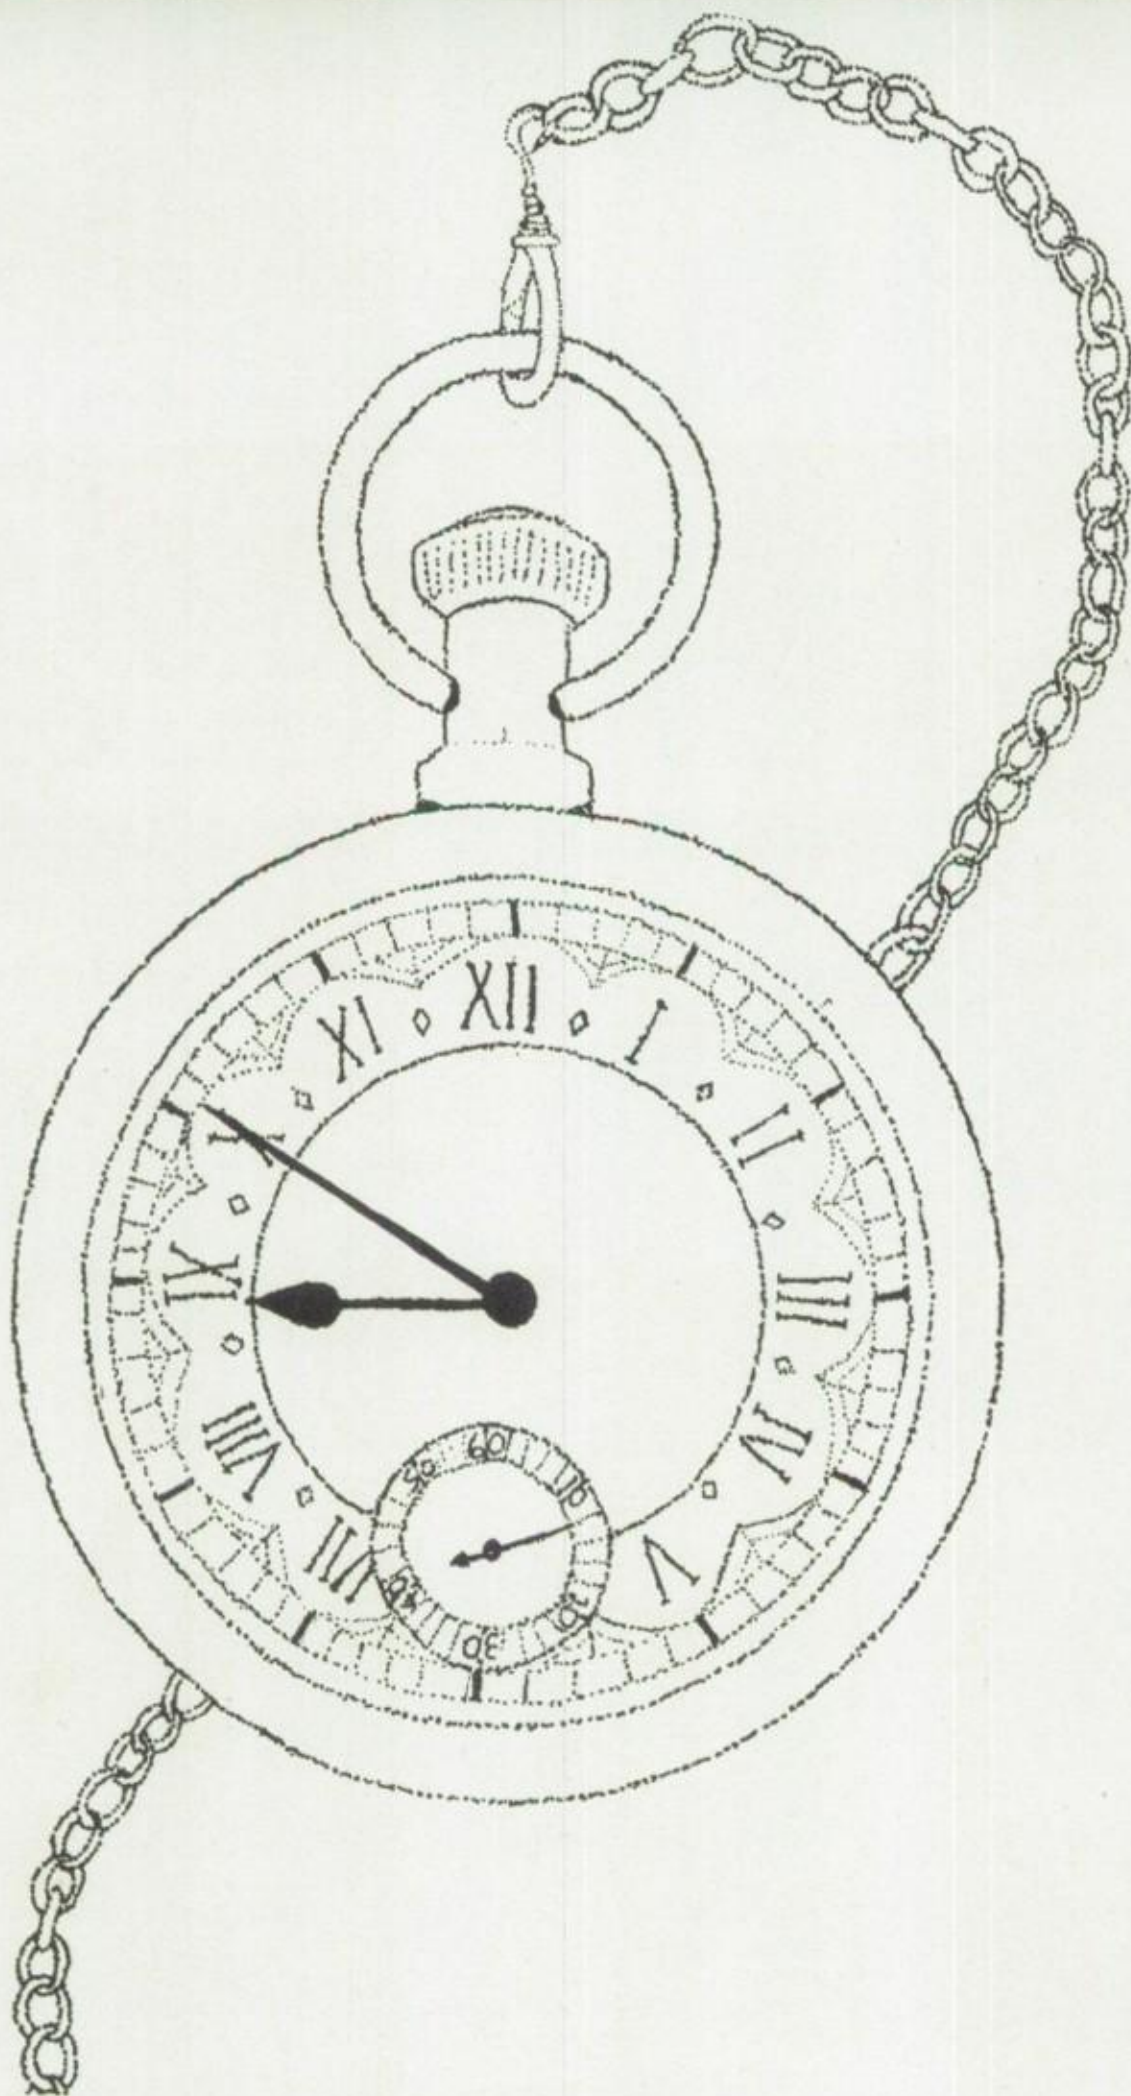

"Ugh!" is the opinion of Harold (Captain Burns).

Lt. Fury (Lauri Thomas) and Captain Black (Chris McGraw) discuss the MASH party.

Janitors and Bus Drivers

There are four people that mean a great deal to RHS students, faculty, and administration. They are the janitors. They keep our school always in "tip-top" shape to give us something to be proud of. Without their caring, our school would not have the neatness and cleanliness that it has today.

ORGANIZATIONS

Student Council

The Student Council is an important part of any school organization. Its primary contribution lies in the area of teaching good citizenship by providing means whereby students experience responsibilities. It is also a service organization that strives to help maintain a social climate conducive to all phases of learning.

Continuing in the RHS tradition of excellence, National Honor Society maintains high standards. The Society seeks to develop leadership, scholarship, and character in its members and makes service a primary goal. Under the capable leadership of Mrs. Marilyn Jackson and the officers, National Honor Society takes its place as one of the outstanding clubs at RHS.

60 minutes per hour, 24 hours in one day, 7 days a week, we've all got the same amount of TIME. Often we're measured in terms of how we spend those countless minutes and hours — do we only use them in self centered activities mindless of the needs of others? . . . do we discipline ourselves and use it wisely? . . . Interact provides us with an opportunity to share some of that time in helping others, sacrificing our own pleasures so that people are reminded to vote, needy families are provided with food, disabled veterans are wheeled to church — How do you spend your time, — can you share some with others?

Rapidian Staff

A good newspaper doesn't just happen. It is the product of effective teamwork, involving a great deal of planning and organizing. First, plans for the issue must be conceived, ideas discussed, and

assignments made. Then the news must be gathered, the articles written, and deadlines met. Next, pages must be designed, articles must be laid out, and paste ups must be done. Once these

paste-ups pass close scrutiny, it is on to the machines. And what started out as bits and pieces comes out as finished pages of newsprint, ready to be assembled and delivered to the readers.

Bottom left: Paulita, Advertising Manager, discusses possibilities for a club layout with Mrs. Wall. Bottom right: Renee, Co-Editor, checks for mistakes in quad-pack copies.

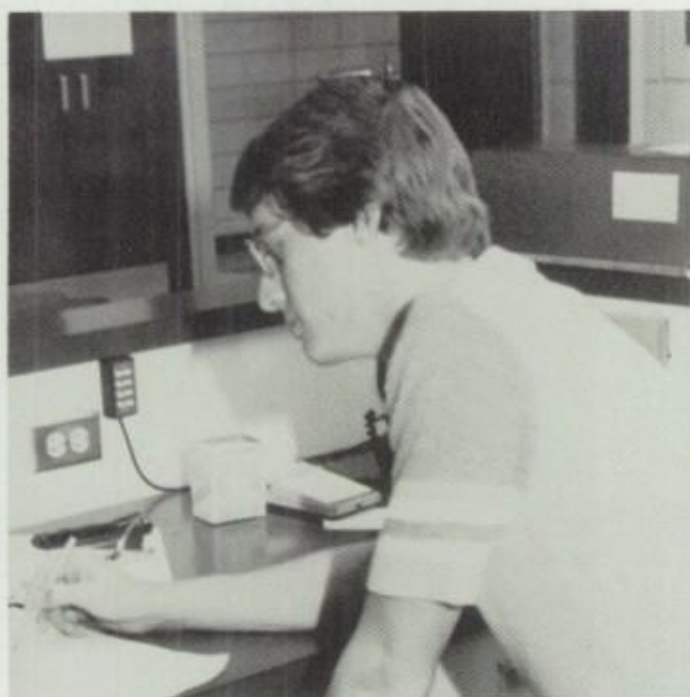

Second by second, minute by minute, hour by hour, time creeps up on the Corral Staff as deadlines need to be met. Pictures must be taken, chosen, and developed, layouts must be drawn up, and copy must be written. All these and many other hardships go along with the task of pleasing the reader.

Top left: Sally, Editor, and Tommy, Business Manager, won second place trophies at NLU Summer Workshop. Middle left: Scott and Mike, student photographer, work on layouts for the activities section. Middle right: Donna and Christine, student photographer, work on their class sections. Bottom left: Jan and Michelle type copy for class sections. Bottom right: Yvette and Donna alphabetize names for their class section.

Office Workers Hall Monitors and Canteen Workers

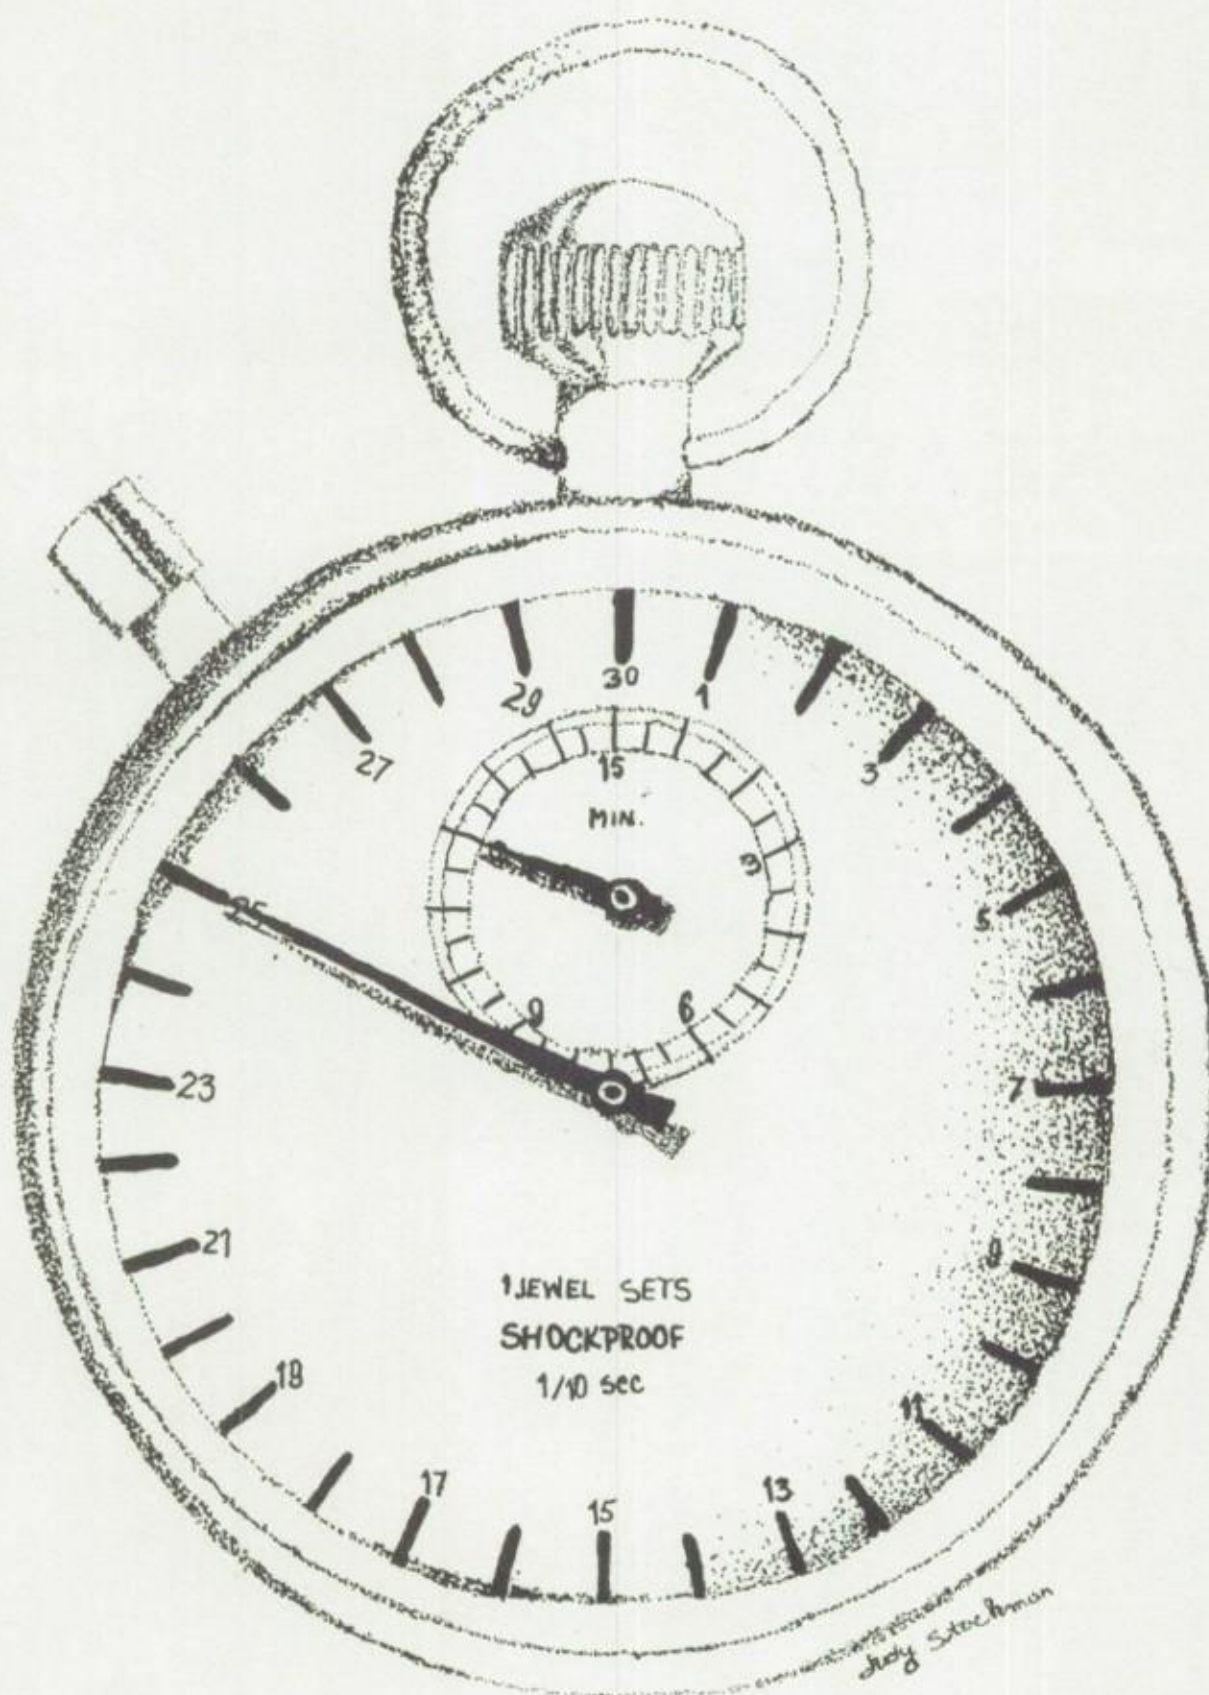

Rapides High School has a peculiar breed of office workers, hall monitors, and canteen workers in that they receive no credits (grade wise) for their services to our faculty, administration and the whole student body.

These persons are to be commended for such fine work.

CHEERLEADERS

Spirit, patience, and hardwork all make this 1978-79 cheerleader squad special. The endless hours of practice seem to be forgotten when we're standing in front of the crowd and they're jumping and yelling right along with us. It's the biggest reward any cheerleader could ever have.

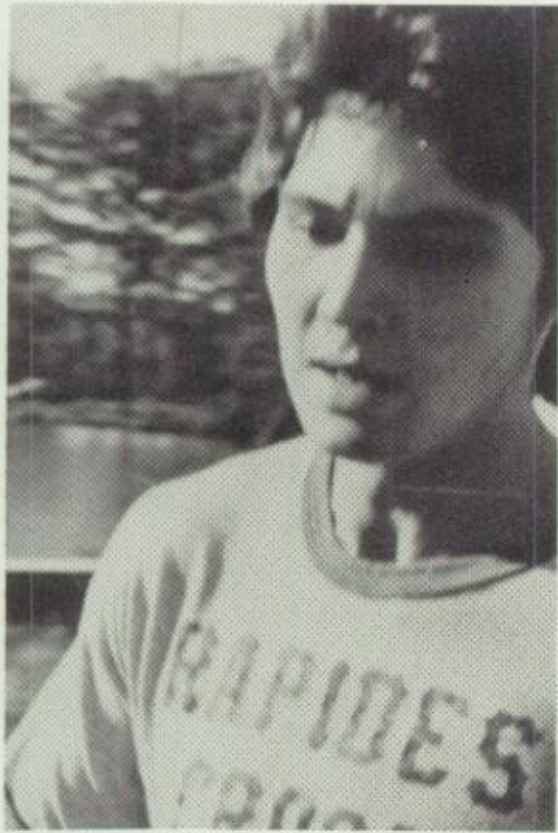

CROSS

For the third consecutive year the Cross Country team has won district and parish championships. This year's team was especially promising because it contained a balance of experience and young talent. There was a tremendous confidence that the team would take the state title this year. Unfortunately, their hopes were dashed on a cold, rainy day in the LSU golf course in Baton Rouge. They were still able to place a respectable seventh among all Class AA schools. Still, the team won many of the meets they entered and came away with their best season ever.

The Mustangs of '79, coming off of a spectacular year last year, have met the challenge of producing another great season. Though lacking the size of last year's team, the team made up for it with blazing quickness and brains. The team went through many highs and lows but jelled in time for the district schedule.

FAVORITES

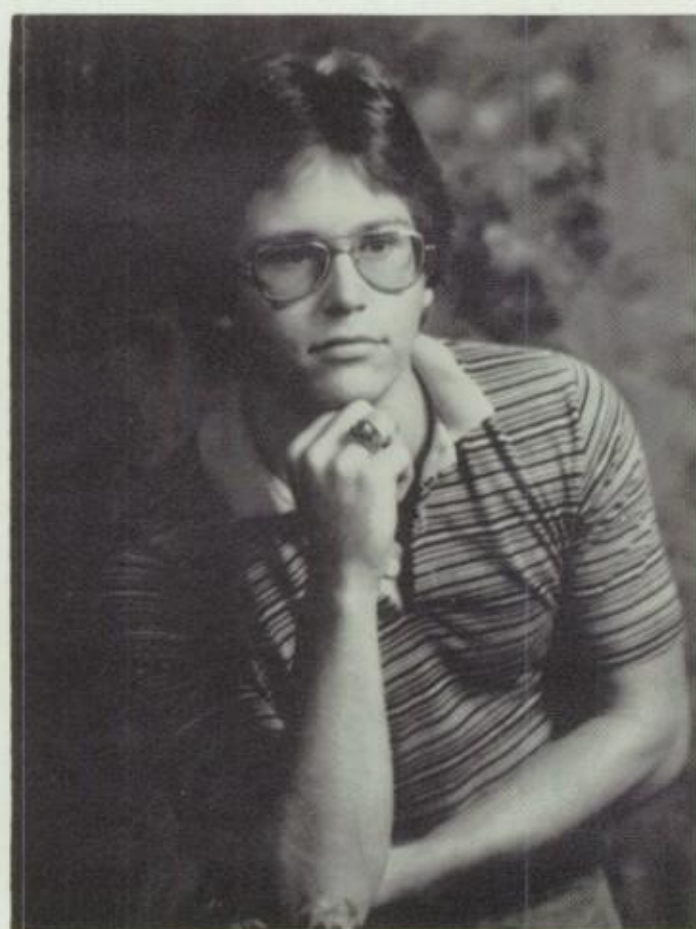

MR. & MISS RHS

Kenneth McMullen and Sally Sansing have been chosen as Mr. and Miss RHS, the senior boy and girl most representative of Rapides High School.

The selection is made by the faculty who consider such qualities as leadership, personality, participation in extra curricular activities, and service to the school.

WHO'S WHO

Belonging to Who's Who is an honor given only to those students, elected by a faculty-student committee, who excel at RHS. The honored students are chosen for leadership, scholarship, outstanding personality, student relations, service and ability to lead in the prominent reputation of the RHS Mustangs.
